

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Presentation Of The Two New Glasses In The Year 2000 Product Line

MEETING DATE: September 1, 1999

PREPARED BY: City Clerk

RECOMMENDED ACTION: None required.

BACKGROUND INFORMATION: Some months ago, the City Clerk's Office developed a product line for the City of Lodi which consists of several different gift packages containing commemorative City of Lodi wine glasses, a special regional blend of red wine, wine coasters and various Lodi products.

Citizens of this community have indicated an interest in collecting the wine glasses as collector items. The first Gateway glass was an item to be located in a local radio station's treasure hunt recently. It is our intent to develop and design two new glasses each year.

Our latest addition includes a glass depicting Hutchins Street Square Performing Arts and Conference Center and the Wine & Roses Country Inn.

A report will be made to the City Council regarding the new collector glasses, and a gift package containing the two new glasses will be presented to each Council Member.

FUNDING: None required.
